

# KRISHNA PUBLIC SCHOOL, DURG

## THE HERO

"The function of education is to teach one, to think intensively and to think critically .Intelligence plus character- this is the goal of true education".

Martin Luther King

**To provide a life of quality that extends beyond knowledge and education is what we aim at EVERY CHILD A HERO.**

**Education without value is incomplete. We make sure that our students get the best of both knowledge and values to grow and succeed. The HERO provides new age learning .It encourages the students to nurture their melodious selves and learn qualities which will help them beyond the classroom. We not only provide expert professional training to our students but also nurture the natural talents to nourish the utmost creativity in them. THE HERO encourages healthy competition between our students. The innate talents of individuals have the potential to transform into successful professionals.**

Comics are fun, interesting and motivating.

A Comic Strip is one of the effective instructional tool. It engages students for meaningful learning experience such as reading, writing, speaking and communication skills. Students find the open ended dramatic narrative about a set of characters very interesting. The Comic strip challenge was given by Literary Club. The students participated whole heartedly and came up with their creativity.

We congratulate all the students for their active participation. The Hero of literary Club is Mahi Soni of class II B , Narayani Jaiswal of class V A and Aamna Bushra of class VI A

# ECO CLUB

## GROUP DISCUSSION

Eco club of our school organised a Group Discussion for our Young but Intellectual minds of grade IX to XII on the alarming topics of today's environment like Biomedical Waste Crises, Coal Shortage in India, Genetically Modified Products, Zero Budget Natural Farming, Nuclear Energy etc.

Each and every group participated with great zeal and enthusiasm showing their concerns towards Ecology and were enlightened towards several facts and knowledge related to the respective fields.

## QUIZ COMPETITION

Our School Eco Club organized a Quiz Competition for VI to VIII graders on the alarming topics of today's Environment like Biodiversity and Women Environmentalist of India.

Our little but brilliant minds put their super efforts into achieving the best.

#Super\_sporty

# SPORTS CLUB

Sports are the integral part for social and physiological growth of one and all supporting the academic growth of students as well.

A good exercise builds teamwork, self-esteem and resilience among the players.

The Challenge given was Plank exercise. A plank exercise is the best exercise to strengthen your core and abdomen . This exercises strengthen your hips, lower back and abdomen and improve your body balance.

Students performed the challenge effectively.  
The hero of the challenge is Nehul Patel of class VI A

#dancing\_star

# DANCE CLUB

"Dance is the joy of movement and heart of life"  
The Dance Club provides an exclusive opportunity to students to learn dancing in a better way.

The Dance as an art itself can be used to make expressions.

# QUIZ CLUB

**Knowledge is power and it's a fact that only power rules the World. The Quiz club of our school believes in this and tries to help the students to enhance their skill in all possible ways. It aims to expand general awareness and hone the skill of drawing rational inferences. It intends to empower the students with knowledge and create, interest and curiosity to collect information relate different fields and aspects of life. It aims to bring to light something new and interesting every time.**

**The club tries to provide facts related to General Knowledge and information regarding current affairs of National and international Importance . So every week classes are conducted to enhance the General Knowledge of the students and for this purpose regular Quiz competitions are conducted at various levels**

**We conceptualize, promote & execute online quiz competitions for students through various interesting topics like Navaratri Trivia, Indian Railway, Agriculture of India, Human body, Lord Shri Ram, Odd one out, Memory challenges etc.**

**The appreciative responses we received from students are genuine and heartwarming.**

**We congratulate all the participants and winners**

## POUSHTIK AAHAR VITRAN

Our school Social Service Club believes in promoting the Nutritional Value among the underprivileged people of nearby society.

So our passionate social workers distributed handful of Nutritious Diet to the needy ones and being the proud participants of "Poushtik Aahar Vitran" activity.

#it\_guru

# COMPUTER CLUB

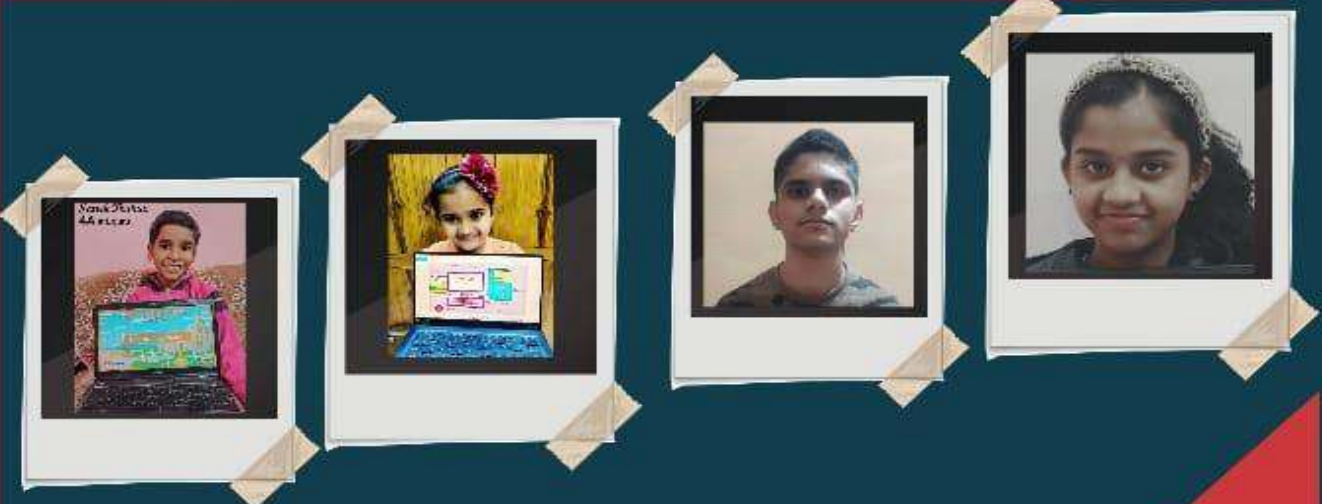

Computer club is a way to teach technology skills and give students a sense of belonging.. The purpose of this club is to provide an atmosphere in which students who are interested in Computers can share their ideas and knowledge . Technology allows students to become content creators themselves.

Our Computer Club not only permeates a student but tries the next generation to be a techno crazy. We are happy to announce that we had conducted various challenges for different classes like to draw a drawing in Tux Paint, to make a poster in Ms Word & to make an effective Power Point presentation. Thanks to all the students for their enthusiastic participation in the computer club activity. The hero of Computer challenge is

"Education is not preparation for life, Education is life itself"

John Dewey

We believe in creating a robust and vibrant education which helps a child to excel in all spheres of life. We believe that these clubs will be essential in intellectual, physical, moral and social improvement of an individual. Our children get opportunity to learn the great values of self discipline, moderation, true equality and cooperation among themselves.
